

Every Pro-Life American Must Tell Congress Now:

“Vote against the pro-abortion federal health care legislation!”

Health care legislation in Congress could create the greatest expansion of abortion since *Roe v. Wade*.

“I urge you to oppose the health care legislation proposed by Senator Reid (H.R. 3590), because it would result in both direct government funding of abortion and taxpayer subsidies for the purchase of private health plans that cover abortion. I am opposed to government subsidies for abortion, no matter what misleading terminology is adopted to try to disguise it.”
